

Open positions @ CNR-IMEM

MATFUN group

Parma, Italy

- 1 Post-doc position

12-18 months duration, deadline for application: 12th July

Activity study of sustainable magnetic materials for e-vehicles

Project: CN-MOST(PNRR) National Centre for Sustainable Mobility

Contact person: Franca Albertini franca.albertini@cnr.it

Call link <https://www.imem.cnr.it/concorsi/bando/952/IMEM-009-2024-PR>

- 1 Post-doc position

12-18 months duration, call will be published soon

Project: PRIN2022 MoRe-SPIN - 'Tailoring magneto-electric and magneto-elastic couplings in artificial heterostructures for multifunctional devices and reconfigurable sensors'

Contact person: Francesca Casoli francesca.casoli@imem.cnr.it

- 1 Post-doc position

12-18 months duration, call will be published soon

Activity synthesis and characterization of magnetic materials for permanent magnets

Project: POR FESR Emilia Romagna MAGMOVE - 'Sustainable magnetic materials for high efficiency electric motors towards the green transition

Contact person: Simone Fabbri simone.fabbri@imem.cnr.it

- 2 PhD positions available soon
